

The Interlending and Document Delivery System will manage the history of your requests from the point of request, to delivery of the article electronically, or notification of your loan. Once you have logged into the system you may search various library catalogues and create requests for books and journal articles held in the Library's collections, and for items held in external libraries.

**** Please complete the 'Are you eligible for remote delivery?' form ****

To place a request, login to Document Delivery Services with your University username and password - <http://www.lib.latrobe.edu.au/document-delivery/>

Assistance with the username and password is available from studyhall@latrobe.edu.au or phone 9479 3694
