Name of the copyright holder

7th April, 2005

Your name and address

Peter Parker
59 Web Rd.
Big City, Vic. 3083

Appropriate option chosen, incorrect option/s removed

Your name

Dear State Library of Victoria,

My name is Peter Parker. I have completed a PhD thesis at La Trobe University (La Trobe), Australia entitled "Life as a superhero : the social advantages and disadvantages".

Your thesis title

Theses published at La Trobe are made digitally available at no cost on the World Wide Web for public access via the Australasian Digital Theses (ADT) database which is our national repository of theses in Australia. See URL:
<http://adt.caul.edu.au/>

My thesis includes the following copyright material in which you hold copyright or in relation to which you may be authorised to grant a licence:

Title of copyright material and source it came from

Photo titled: Villains of 2004 in a line-up
Sourced from: La Trobe Picture Collection, State Library of Victoria. Reference no. LTAEF89
(referred to as "the Material")

I wish to seek from you a non-exclusive licence for an indefinite period to reproduce and communicate the Material incorporated in the digital copy of my thesis to be made available on line via ADT database. The Material will of course be fully and correctly referenced.

Please insert your details below if you agree. The copyright holder inserts their name here

I _____ agree to grant to La Trobe University a non-exclusive licence for an indefinite period to reproduce and communicate the Material which will be incorporated in the above thesis and form part of the ADT database for the purposes set out in this letter.
